

**Early Admission Announcement for International Programs**  
**Bachelor of Engineering (International Programs), Academic Year 2019**  
**Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang (KMITL)**

Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang, invites qualified applicants to apply for admission to Bachelor of Engineering in 6 undergraduate International Programs in Academic Year 2019 (beginning in August 2019). This round of admission is open to all applicant with excellent academic background. Selection of qualified candidates based on applicant's academic records, standardized test scores, and English proficiency test results, along with a personal statement, letters of recommendation, on-site interview and other supplementary documents.

**1. Program and Number of Acceptances**

1.1 Biomedical Engineering	40 persons
1.2 Chemical Engineering	40 persons
1.3 Civil Engineering	40 persons
1.4 Industrial and Management Systems Engineering	40 persons
1.5 Robotics & AI Engineering	40 persons
1.6 Computer Innovation Engineering	30 persons

Faculty of Engineering may accept a lower or greater number depending on the total number of qualified applicants

**2. Qualifications**

**2.1 Education background**

The applicant must satisfy at least one of the following requirements:

- 1) Graduated or studying in the final year of high school; grade 12 Matthayom 6 or equivalent
