

Announcement of First Round Direct Admission for International Programs
Bachelor of Engineering (International Programs), Academic Year 2019
Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang (KMUTL)

Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang, invites qualified applicants to apply for admission to Bachelor of Engineering in 9 undergraduate International Programs for Academic Year 2019 (beginning in August 2019). This round of admission is opened to all applicants with excellent academic backgrounds. Selection of qualified candidates are based on applicant's academic records, standardized test scores, and English proficiency test results, along with a personal statement, letters of recommendation, on-site interview and other supplementary documents.

1. Program and Number of Acceptances

1.1	Biomedical Engineering	40 persons
1.2	Chemical Engineering	40 persons
1.3	Civil Engineering	40 persons
1.4	Computer Innovation Engineering	30 persons
1.5	Electrical Engineering	80 persons
1.6	Energy Engineering	40 persons
1.7	Industrial Management & Systems Engineering	40 persons
1.8	Mechanical Engineering	40 persons
1.9	Robotics & AI Engineering	40 persons

Faculty of Engineering may accept a lower or greater number depending on the total number of qualified applicants.

2. Qualifications

2.1 Education background

The applicant must satisfy at least one of the following requirements:

- 1) Graduated or studying in the final year of high school; grade 12 Matthayom 6 or equivalent
- 2) Graduated or studying in an accredited college or higher-education institutions
- 3) Obtained or expect to obtain in qualification equivalent to Matthayom 6 as approved by the ministry of Education before the start of Academic Year 2019.

The applicant must provide an official final transcript and official high school diplomas and or certificates of completion from high school before the start of Academic Year 2019.

2.2 Supporting Documents

The applicant should prepare the following items for online submissions and bring the original documents to the interview.

- 1) A photocopy of the applicant's national identification card or passport
- 2) Personal statement – self introduction and purposes of studying
- 3) Official high school transcripts or any grade 12 equivalent test results – IGCSE/GED
- 4) Two recommendation letters from teachers or supervisors – they either can be attached during application on the website or they can be sealed and send via email or post by schools
- 5) Standardized test scores: **submit at least one of the following standardized test results**
 - a. SAT General (required): at least 1100 out of 1600 for SAT/ SAT Subjects (optional)
 - b. ACT: at least 23 for composite score
 - c. IB: at least 29 for predicted score with at least 4 in Math and Physics
 - d. School letter: at least 75 percentile GPA score – a letter issued by school stated that GPA from 5 semesters is in 75 percentiles.
 - e. All national higher education or board exam results (Gaokao, GAT/PAT)
- 6) English proficiency test results: **meet at least one** of the following requirements
 - a. TOEFL – at least 550 for paper-based test, 213 for computer-based test, or 79 for internet-based test
 - b. IELTS – at least 6
 - c. IB – at least 4 for English A1 or A2 (HL or SL) or at least 5 for English B (HL)

Remark: If the applicant cannot fulfill the above requirement, he or she will be required to enroll in the additional English as a Second Language (ESL) course at KMITL before August (Additional fees apply), provided that the applicant is admitted.

- 7) Portfolios Achievements (optional): provide a link to your portfolios or achievements in the multimedia information section of the application. The applicant may also bring their portfolios to the interview.

8) Placement test results (optional): submit available AP, IB Higher Level, A-Level, or equivalent placement test results. The policy and criteria for placement credits will be determined prior to the applicant's enrollment.

3. Admission Schedule

Details	Dates
Application filing and Application Fee Payment Period http://eneng.kmitl.ac.th/inter-admission-direct	Now –January 8, 2019
Interview Candidate Notification www.reg.kmitl.ac.th http://eneng.kmitl.ac.th	January 15, 2019
Candidate Interview Date	January 19, 2019
Admission Decision Announcement www.reg.kmitl.ac.th	January 23, 2019
TCAS Clearing House (Thai nationalities only)	January 30 -31, 2019
Enrollment Confirmation and Tuition Fee Deposit www.reg.kmitl.ac.th	February 8-11, 2019

4. Application Submission

The applicant must apply on-line and upload all necessary documents via our online application system: <http://eneng.kmitl.ac.th-inter-admission-direct> The applicant must deposit a 1000 baht non-refundable application fee using the specified payment methods in the application system. The applicant is responsible for any additional transaction fee incurred by financial institutions. If the applicant does not reside in Thailand, please contact our admission office to facilitate the application process.

The applicant will be notified of his/her eligibility for on-site interview after the admissions committee reviews that application. The actual location and time of the interview will be announced prior to the interview date.

An applicant with excellent academic performance and significant achievements along with demonstrated leadership may be eligible for full or partial tuition fee-waiver. The applicant must indicate his/her interest in the application. Faculty of Engineering reserves the right to determine the eligibility of the applicant. All decisions are final.

5. Tuition Fees and Enrollment Confirmation

The tuition fees for students entering the program in Academic Year 2019 are as follows:

- | | |
|-----------------------------------|----------------------|
| ● Biomedical Engineering | 90,000 THB/semester |
| ● Chemical Engineering | 90,000 THB/ semester |
| ● Civil Engineering | 90,000 THB/semester |
| ● Computer Innovation Engineering | 150,000 THB/semester |
| ● Electrical Engineering | 90,000 THB/ semester |

- Energy Engineering 90,000 THB/semester
- Industrial Management & Systems Engineering 90,000 THB/semester
- Mechanical Engineering 90,000 THB/semester
- Robotics & AI Engineering 90,000 THB/semester

6. Contact Information
